Dear Dan:

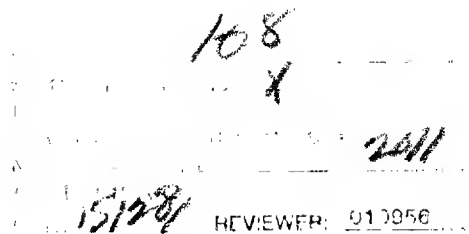

We have recently negotiated with the Air Force CPFF Basic Agreement No. AF 33(600)7302. This Basic Agreement includes the negotiated overhead rates clause contained in ASPR 3-704.1. In order that we may be consistent in our accounting practices, I would like to suggest that Contracts A-101 and NY-A-501 be amended to include a similar negotiated overhead rates clause.

Sincerely,

25X1A

Jack
